MEMORANDUM FOR: Director of Central Intelligence

FROM:

Director, Office of External Affairs

STAT

SUBJECT: Request for Appearance - Business-Government
Relations Council, Washington, D.C.

1. Action Requested: Sign the attached letter accepting an invitation to address the Business-Government Relations Council in Washington, D.C.

2. Background: Nancy Clark Reynolds of the Council has invited you to address a luncheon session at a time of your choosing between mid-February and June. This minimum investment of your time would reach an influential segment of the Washington business-Government community, representing about 100 Fortune 500 companies. It is a good opportunity to discuss our legislative program and CIA relations with the corporate sector. You regretted a similar invitation last year, begging too short a time in office.

Your calendar is crowded through March but relatively open thereafter.

3. Recommendation: Sign the attached letter of acceptance and authorize Public Affairs to negotiate a date in April, May, or June.
